

**AMETEK - ROCHESTER INSTRUMENT SYSTEMS,
PANALARM & SCIENTIFIC COLUMBUS**

Annunciators & Alarm Systems
Power Quality Products
Revenue Meters
Digital Fault Recorders
Power Transducers: Analog & Digital

PC&S

Transformers - Power & Switchboard Meters (analog & digital)
Controllers - Meter Relays - Protector Relays
Transducers - CT's & Shunts

MONARCH INSTRUMENT

Paperless Recorders
Compact Data Loggers

TECHNITRACE

Heat Trace Systems: Pipe & Tank
Hazardous Area Heat Trace Solutions

RECORA

Safety "Switchmats" & "Sensi-Switch" Bump Switches
Safety Controllers

PAYNE CONTROLS

SCR Power Controls & Contactors
Reduced Voltage Starters & Reversers

KING GAGE

Liquid Level Transmitters, DP Transmitters
Tank Level Indicators
Process Control Integration
Air Control Stations, Coalescing Air Filters

RC SYSTEMS

Gas Detection Products
WaveNet Wireless Gas Monitors
RigProtector Perimeter Monitoring
Controllers & Engineered Systems

ENM

Counting Instruments
Hour Meters

BINDICATOR

Bulk & Granular Level Controls
Point Level Controls
YO-YO Inventory Management Systems
Remote Inventory Management Systems
Ultrasonic Level Controls
Radar Level Controls
Wireless Process Control Solutions

GEMS SENSORS / WARRICK CONTROLS

Level Switches: Float & Conductivity
SAFE-PAK Relays & MSHA Approved Relays
Sure-Site Level Indicators
Flow & Pressure Transducers

MDI

Mercury Contactors & Timers
Mechanical & Mercury Float Switches

ATC

Timers, Counters, Lights & Relays
Tachometer Generators
Programmable Relays
PID & Temperature Controllers

THERMO-COUPLE PRODUCTS

Thermocouples & RTD's
Thermowells & Protection Tubes
Temperature Controllers

MARSH BELLOFRAM

I/P & E/P Transducers
General Purpose & Precision Air Regulators
Process & Liquid Filled Pressure Gauges
Thermometers & Wells

SHIMPO

Contact & Non-contact Tachometers
Force Gauges
Torque Gauges

WIKA INSTRUMENTS / TREND

Pressure Gauges
Chemical Seals & Isolators
Transmitters: Pressure & Temperature
Thermometers: Bimetal, Glass & Vapor
